

Let's Go!

Ready to get your motor running? Well, buckle your seatbelt and prepare for a wild ride with Canada's premier hillbilly rockers, Cousin Harley!

This, their seventh release, harkens back to their roots as a hard-hitting, virtuosic power trio that's not afraid to genre-smash everything from Django Reinhardt to Motorhead with no apologies. Cousin Harley can explode like an active volcano, swing like the Basie Band and holler like a lonesome hillbilly in the backwoods of Appalachia, all at the same time! As a result, they have achieved a cult-like following, toured extensively and been featured in music publications worldwide.

LET'S GO! was recorded at Afterlife Studios in Vancouver, Canada, in the early spring of 2020. When the pandemic hit Canada and all but shut down the music business, it didn't stop Paul Pigat, Jesse Cahill and Keith Picot from finishing another world-class recording, and boy are we happy they did. What people need now is music. Fun music! And they are here to provide!

LET'S GO! will be released on Nov 26th, 2020. It will be available worldwide through Burnside Distribution, iTunes, CD Baby and all other download and streaming services, or directly from www.cousinharley.com.

Vancouver's Cousin Harley is the rocking hillbilly persona of Gretsch endorsee Paul Pigat - multi-instrumentalist, composer, arranger, producer and guitarist of epic proportions. Having shared the stage with such legendary artists as Brian Setzer, Jeff Beck, James Burton and Jakob Dylan, to name a few, he has a hard-earned reputation for delivering the goods and never disappointing. Cousin Harley is an unstoppable rock 'n' roll wrecking crew with a blistering, not-to-be-missed live show (whenever that's allowed again)!
